

WE HAVE NO OTHER COMPARABLE SERVICES PROVIDED IN OUR AREA WITH THE QUALITY OF KLOVE.

IT IS WHOLESOME PROGRAMMING THAT HAS A POSITIVE EFFECT ON MANY IN OUR AREA. THERE IS SOMETHING COMFORTING about being able to receive this station wherever I go. It connects people in ways a local station just cannot do. It would devastate me and many others to not have this choice. It is an encouraging voice not heard elsewhere. If this was to be replaced by a LPFM a very valuable source of strength for many would be lost. Please rethink this choice.
